PROFESSIONAL SUMMARY

I'm a first-year Computer Science Engineering student at Mangalore Institute of Technology and Engineering. I enjoy working on Flutter and Application development and have experience creating projects. My days are spent shipping Flutter apps, sharpening my fundamentals in Java and C++, and crawling through Data Structures & Algorithms at a time.

TECHNICAL SKILLS

Languages	Dart, Java, C, C++
Mobile Dev	Flutter (cross-platform), Material 3, Provider (state management)
Backend / DB	Firebase — Cloud Firestore , Authentication, Google Sign-In
Tools	Git, GitHub, VS Code, Android Studio
CS Fundamentals	Data Structures & Algorithms, OOP, Problem Solving

PROJECTS

Firestore Notes App

Flutter · Dart · Firebase Auth · Cloud Firestore
· Provider

GitHub Repository: github.com/shabareesh390/FireNotes

- Built a full-stack cross-platform mobile notes app with real-time sync via Cloud Firestore and secure Email/Password + Google Sign-In authentication.
- Implemented Provider for scalable state management; delivered polished dark/light theme UI deployed on Android.

EXPERIENCE

Independent Flutter Developer

2025 – Present

Self-Directed · Remote | Open to Internships from 2026

- Designed, developed, and shipped a production-ready Flutter application independently, demonstrating end-to-end full-stack mobile engineering skills.
- Maintained an active GitHub commit history reflecting iterative development, code reviews, and continuous improvement.
- Participated in WEB DASH 3.0 (MITE · Dept. of CSE, Feb 2026) — a national-level web design hackathon, performing under pressure in a team environment.
- Practised daily DSA problem-solving to sharpen algorithmic thinking applicable to backend and systems engineering roles.

Seeking internships: FlutterDevelopment · SoftwareEngineering · AI/MachineLearningRoles

EDUCATION

B.E. Computer Science Engineering - 9.15 CGPA

2025 – 2029

Mangalore Institute of Technology and Engineering (MITE), Karnataka

- Focused on DSA, OOP, mobile app development, and engineering fundamentals.

Pre-University (PCMCs)- 94.50%

2023 – 2025

St Joachim's Composite PU College | Physics, Chemistry, Mathematics & Computer Science

CERTIFICATIONS & ACHIEVEMENTS

- WEB DASH 3.0 — Participation Certificate | MITE · Dept. of CSE (IoT & Cyber Security with Blockchain) | February 2026
- Introduction to AI & Machine Learning — Infosys Springboard
- C Programming Certified — foundational proficiency in procedural programming and memory management.
