

SHABAREESH S GOWDA

Mangalore, Karnataka | +91 6366076160 | shabareesh390@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Computer Science Engineering student at MITE with a 9.15 CGPA and strong foundations in Data Structures & Algorithms, Object-Oriented Programming, DBMS, and Software Engineering. Experienced in Flutter, Firebase, Java, Spring Boot, REST APIs, and AI-powered application development. Built end-to-end software solutions including EvalAI, an intelligent answer-sheet evaluation platform powered by Google Gemini AI. Seeking Software Engineering or Flutter Internship opportunities.

TECHNICAL SKILLS

Languages: Java, Dart, C, C++, JavaScript, SQL

Mobile Development: Flutter, Material 3, Provider, Cross-Platform Development

Backend: Spring Boot, REST APIs, Firebase Authentication

Database & Cloud: Firebase, Cloud Firestore, Google OAuth

AI & ML: Google Gemini API, Google ML Kit, Anthropic Claude

Tools: Git, GitHub, Android Studio, VS Code

Core CS: Data Structures & Algorithms, OOP, DBMS, Software Engineering, Problem Solving

PROJECTS

EvalAI—AI-Powered Exam Evaluation System

- Developed a Flutter-based platform for automated handwritten answer-sheet evaluation using Google Gemini API.
- Implemented AI-driven grading, feedback generation, analytics dashboards, and PDF report generation.
- Integrated Firebase Authentication, cloud storage, and scalable application architecture.

GitHub Repository: github.com/shabareesh390/EvalAI

Firestore Notes App

- Built a real-time cross-platform notes application using Flutter and Cloud Firestore.
- Implemented Email/Password and Google Sign-In authentication with Provider state management.
- Designed a responsive and user-friendly interface supporting seamless data synchronization.

GitHub Repository: github.com/shabareesh390/FireNotes

EXPERIENCE

Independent Flutter Developer | Remote | 2025–Present

- Developed multiple Flutter applications utilizing Firebase services, REST APIs, and modern state management practices.
- Built AI-powered features including automated answer analysis and intelligent feedback generation.
- Applied software engineering principles, debugging, version control, and scalable architecture design.

EDUCATION

Mangalore Institute of Technology and Engineering (MITE)

B.E. Computer Science Engineering | 2025–2029 | CGPA: 9.15

St Joachim's Composite PU College

PCMCs | 94.50% | Mathematics: 100/100

RELEVANT COURSEWORK

Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems (DBMS), Software Engineering, Problem Solving

CERTIFICATIONS & ACHIEVEMENTS

- WEB DASH 3.0 — Web Design Hackathon Participant (2026)
- Vidyadhan Scholarship — Selected as one of only 2 Vidyadhan Scholars from Dakshina Kannada district through a competitive scholarship examination and selection process, receiving merit-cum-means financial support for undergraduate engineering.
- Introduction to AI & Machine Learning — Infosys Springboard
- C Programming Certification — Infosys Springboard
- Scored 100/100 in Mathematics (Class XII)
- Secured 9.15 CGPA in First-Year B.E. Computer Science Engineering
